

Dear Friend,

Your membership with the Leesburg Downtown Business Association means a great deal to us. With your support, we have been able to accomplish a great many things over the last year, and without your support these things would not have been possible.

It is, of course, that time of year again where we ask that you renew your membership with us. The dues for this coming year are **\$75**, which includes your business location on the new **Historic Downtown Map/Directory**. This will serve as the number one way for people to find goods and services in Downtown. Also, our new, **more modern website** is a great tool for you to communicate about anything happening with your business in the coming year.

An association is only as strong as the involvement of its members. Renewing your membership is as easy as putting your name at the top of the below form, detaching it and sending it in with your payment. Please feel free to talk to any of our Board Members about your issues or opportunities with the LDBA.

If any of your information has changed, please indicate below. Anything that hasn't changed just leave blank. Please don't forget the web, email and twitter account, as these are the main sources of communication with you.

Ryan Austad (*Market Street Animal Clinic*), LDBA Membership Chair

The 2011/2012 LDBA Executive Board

President: Butch Porter Vice President: Wayne Baker Treasurer: Jennifer Frankenfield Recording Secretary: Paige Buscema Correspondence Secretary: Judy Kozacik
