Dear Friend:

We encourage you to join or renew your membership with the Leesburg Downtown Business Association (LDBA). The LDBA was created in 2003 with the focus on assisting businesses and ensuring a vibrant downtown, and has accomplished many things:

- Branding downtown Leesburg as *Loudoun's Original Town Center* ;
- Creation and design of a modern website, giving LDBA member companies more exposure on the web;
- Development and support of downtown events to draw people to the downtown;
- Cooperative advertising, a substantial savings from standard, individual rates;
- Networking opportunities including seasonal dinners so you get to know your business neighbors and can discuss topical issues;
- Involvement in important decisions in our business community;
- A voice *en masse* when significant community matters come before the Town, County, and Commonwealth governments.

An association is as strong as the involvement of its members. Joining the LDBA is as easy as completing the information found on the right.

Please feel free to talk to any of our officers or chairpersons about your issues, and the opportunities an organization like the LDBA can provide for you.

Sincerely,

Carrie Whitmer, LDBA President
